## 2016 PHILADELPHIA FINALISTS AND WINNERS

The Healthiest Company Awards program honors companies that have demonstrated a commitment to their employee populations through health and wellness programs. Through these programs, today's health-conscious companies are not only investing in the strength of their businesses' futures but also the futures of employees and their families. An independent committee of local business leaders selects finalists based on engagement, effectiveness and ROI. SmartCEO shares their inspiring stories in the September/October issue of *SmartCEO* magazine.
