

# SmartCEO's CORPORATE CULTURE AWARDS

celebrating performance-driven company cultures

The Corporate Culture Awards program honors companies fostering a creative, collaborative workplace culture that has helped enhance performance and sustain a competitive advantage. Smart leaders understand that culture is a company's greatest asset, driving performance and growth. That's why SmartCEO is honoring businesses that have successfully championed a positive, productive and performance-driven culture, and have worked with their employees to develop successful cultural practices. Winners will be profiled in the November/December issue of *SmartCEO* magazine and celebrated at an awards event in December.
